L.E.A.P. ACTIVITIES PRIMARY (PRE-K THROUGH 3RD GRADE)

We would like you and your child to enjoy your summer with these suggested fun places to visit in Houston and the near vicinity. Our aim is to extend your child's experiences, add vocabulary, and prepare for success for next year.

Choose a few of these activities. You should keep a Journal of events, travel, books read, and other experiences this summer. He or she will share this Journal with the class upon return to school in August.
