

# Summer Reading Requirements

Read daily to your child  
(even if he/she is already  
reading independently).

To enhance comprehension,  
ask your child questions  
about characters, setting,  
what will happen next, etc.

Make reading a special time  
with your child.

Have fun!!!!

## L.E.A.P. Activities

Primary (Pre-K through 3rd grade)

We would like you and your child to enjoy your summer with these suggested fun places to visit in Houston and the near vicinity.

Our aim is to extend your child's experiences, add vocabulary and prepare for success next year.

Choose a few of these activities. Your child should keep a Journal of events, travel, books read and other experiences this summer. He or she will share this Journal with the class upon return to school in August.
