L.E.A.P. Activities

Primary (Pre-K through 3rd grade)

We would like you and your child to enjoy your summer with these suggested fun places to visit in Houston and the near vicinity. Our aim is to extend your child's experiences, add vocabulary, and prepare your child for success next year.

Choose a few of these activities. Your child should keep a Journal of events, travel, books read and other experiences this summer. He or she will share this Journal with the class upon return to school in August.
